

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

At the February 5th meeting the present officers were re-elected to serve during the coming quarter. The officers are: Shirley B. Walker, Pres.; Fritz Fuchs, Vice-Pres.; Roy Thompson, Sec-Treas.

The return of Fritz Fuchs to his home at Redland, Fla., is viewed with deepest regret by all who knew him. Mr. Fuchs was a hard and enthusiastic worker and his departure is a distinct loss to the society.

Orange aphids are unusually abundant in the vicinity of Fort Myers this spring and we may look for some little damage on their account.

The orange sharpshooter is also causing some damage here.

---

### PERSONALS

Mr. C. E. Wilson, formerly Assistant Entomologist to the Plant Board, has been appointed Neural Histologist in the Brain Surgery Department, U. S. A. Medical Corps. He will be engaged in research work in France.

Mr. A. C. Mason, formerly connected with the Station and Plant Board, is now in the U. S. Army Hospital Service.

Mr. K. E. Bragdon, who has done such valuable work for the Society as Secretary-Treasurer and for THE BUGGLST as Business Manager, has been obliged on account of his official duties to resign both positions. It is largely this that is responsible for the delay in publishing THE BUGGIST.

Prof. Carl J. Drake, Associate Professor in Entomology in the School of Forestry of Syracuse University, has been employed for the summer to assist in the Entomological Department of the Experiment Station. He is working on the life history of the Southern Green Stink Bug or "Pumpkin Bug" (*Nezara viridula*).

Among the welcome additions to entomologists of Gainesville is Prof. Fatig, who has come from Dakota to take charge of the work of the State agricultural schools. He has a large collection of hymenoptera and diptera.

Luther Brown, agent State Plant Board, enlisted in the U. S. Navy Hospital Service on March 18.

A. C. Brown, agent State Plant Board, enlisted in the National Army on April 4th.

F. F. Bibby, Assistant Entomologist State Plant Board, enlisted in the U. S. Naval Hospital Service on April 10th.

Wilmon Newell, State Plant Commissioner, Gainesville, Fla., is State Leader of the Sweet Potato Root Weevil Control and Eradication Work.

J. E. Graf, of the Bureau of Entomology, U. S. D. A., is in charge of the Sweet Potato Root Weevil Work for the South.

O. K. Courtenay, U. S. Bureau of Entomology, is Field Agent in charge of the Sweet Potato Root Weevil Control and Eradication Work.

K. E. Bragdon, Deputy Port and Railway Inspector, State Plant Board, is Acting Field Agent in the Sweet Potato Root Weevil Control and Eradication Work.

H. L. Dozier, Entomological Assistant at the Experiment Station, has enlisted in the Hospital Service of our country.

Mr. R. N. Wilson, until recently Farm Demonstration Agent of Palm Beach County, has accepted a similar position in Riverside County, Calif. Florida has lost a good scientist and a valuable citizen.

Dr. E. A. Back, In Charge of Stored Products Insects, and Mr. Walton, In Charge of Cereal and Forage Crops, both of the Bureau of Entomology, were recent visitors to the State.

Mr. Thomas H. Jones, Agent of the Bureau of Entomology, was recently in Florida looking over the ground with a view to establishing a substation for the investigation of truck crop insects.

---

### BULLETIN NOTICES

"The Silverfish," by E. A. Bach, Farmers' Bulletin 902, will interest everyone who owns a book in Florida.

A 100-page bulletin on Citrus Insects, a companion piece to the bulletin on Truck Crop Insects, has been published by the Experiment Station.

---

**WANTED**—Diurnal Lepidoptera of Florida in exchange for desirable western species. Dr. John A. Comstock, 321 South Hill St., Los Angeles, California.
